OFFICIAL MEMORANDUM

No. FD 9 RFC 66, BANGALORE, DATED THE 17TH DECEMBER 1968.

It has been brought to the notice of Government by the Accountant General that in spite of instructions issued in O. M. of even No. dated 7th May 1968, the monthly abstracts in Form M. F. C. 49-B (as amended in C. S. 590) are being continued to be sent separately to the audit office instead of enclosing the same to their monthly establishment bills. The Drawing Officers and Heads of Departments are again hereby directed to enclose Form No. MFC 49-B to the monthly establishment bills in future.

With regard to enclosing the monthly statement in Form No. MFC 49-B to supplementary bills encashed during the month and in which recoveries are made, it is directed that Form 49-B which is a monthly abstract is a consolidated statement which should take into account all advances drawn and all recoveries made during a particular month whether in the regular monthly bill or in the supplementary bills encashed during that month. Hence, it is not at all necessary to enclose Form 49-B to each and every supplementary bill. It will be sufficient if the monthly abstract is enclosed to the regular pay bill of establishment encashed during next month.

It is also directed that the Drawing Officers who prepare more than one establishment bill under several minor heads should enclose a consolidated Form 49-B taking into account all advances made and all recoveries effected in respect of all the establishments under various heads under their control, to the monthly pay bill of their main establishment and furnish certificate to this effect in the monthly pay bills of other establishments duly quoting references to the bill No. of the main establishment to which Form 49-B has been enclosed.
